## The Peacemaker

When Michelle dropped her crayons, Tommie helped her pick them up. When Matt fell and skinned his knee at recess, Tommie walked with him to the nurse. When Sally and Maria couldn't decide who should go first on the swings, Tommie helped them to decide. When it was time to go home, Mrs. Smith said she had something important to say. She had a special award to give to Tommie for being a good peacemaker. Tommie was very happy because she didn't think anyone had noticed the nice things she had done that day.
