Today my dad woke up and told us we
 were going camping. We drove straight
 until we got to our camping site. We
 began to unpack our stuff. First, we took
 out our backpacks. Then we started to
 set up our tent. Once we were done, we
 saw how beautiful the lake looked.
 My mother wanted to go on a hike even
 though it was getting dark. When we got
 back from our hike it was time to setup
 the campfire. We needed more light, so
 my brother got the lanterns out of the
 van. It was quiet around the fire and we
 started to tell scary stories. I had a
 good time and I hope we come back
 every year.
