

## Project Scenario:

A new ice cream shop has just opened in your neighborhood. You will "visit" the ice cream shop five times over your vacation. Each time you "visit" the ice cream, you will order different items, and you will go with a different group of friends. Each friend will be responsible for paying their fair share of the bill. Don't forget that you will be paying your fair share too!

The screenshot shows a Microsoft Word document titled "mathproject2 [Compatibility Mode] - Microsoft Word". The ribbon includes Home, Insert, Page Layout, References, Mailings, Review, View, and Add-Ins. The main content is a menu for "Illy Igloo's Ice Cream Shop Menu" with a decorative ice cream cone illustration. The menu is organized into four columns: Sundae, Banana Splits, Cakes, and Beverages.

| Sundae        |        | Banana Splits            |        |
|---------------|--------|--------------------------|--------|
| Single Sundae | \$1.25 | Traditional Banana Split | \$2.00 |
| Double Sundae | \$2.25 | Apple Banana Split       | \$3.15 |
| Triple Sundae | \$3.25 | Peanut Banana Split      | \$3.75 |
| Razzy Sundae  | \$2.40 | Royal Banana Split       | \$3.30 |
| Quart Sundae  | \$5.95 | Chocolate Banana Split   | \$3.75 |
| Pecan Sundae  | \$4.95 | Pecan Banana Split       | \$2.80 |
| Malty Sundae  | \$5.25 | Pineapple Banana Split   | \$2.80 |

  

| Cakes      |        | Beverages                  |        |
|------------|--------|----------------------------|--------|
| Fudge Cake | \$2.30 | Soda (cola, orange, 48 Oz) |        |
| Round Cake | \$2.50 | small                      | \$0.80 |
| White Cake | \$2.40 | medium                     | \$0.95 |
| Cheesecake | \$4.99 | large                      | \$1.15 |
|            |        | Hot Tea                    | \$0.70 |
|            |        | Coffee                     | \$1.90 |
|            |        | Hot Shakes                 | \$1.25 |
|            |        | Root Beer Float            | \$2.10 |

The screenshot shows a Microsoft Word document titled "mathproject2 [Compatibility Mode] - Microsoft Word". The ribbon is the same as in the previous screenshot. The main content is a "Project Sheet - Page 1" with a decorative ice cream cone illustration. It features a table for recording order information and a section for showing work.

| Order           | Exact Cost | Estimated (Rounded) Cost | Multiplied Cost | Divided | Cool Pat                     |
|-----------------|------------|--------------------------|-----------------|---------|------------------------------|
| 1 Triple Sundae |            |                          |                 |         | Divided between you and Bill |
| 1 Razzy Sundae  |            |                          |                 |         |                              |
| 2 Small Cakes   |            |                          |                 |         |                              |
| Total           |            |                          |                 |         |                              |
