

Activity: Order, Please

Skill/Objective: Number Order

Directions:

1. Get a deck of cards with the numbers from 2 to 9.
2. You also need a recording sheet for Order, Please.
3. Mix up your cards and turn over 6 cards to make three 2-digit numbers.
4. Write them in order from *least to greatest* on your paper.
5. Continue turning cards and ordering numbers until your paper is filled.
6. Then ask a friend at your group to check them for you, or check them yourself using the 100 chart.

Materials –

- Deck of regular playing cards with numbers 2 through 9
- Recording sheet for **Order, Please**

Name _____

Order, Please
Number Order

Turn over 6 cards to make three 2-digit numbers. Write them in order from least to greatest on the lines below.
Continue turning cards and writing the numbers until you have ordered 10 sets of numbers.

Three large rounded rectangular boxes for writing numbers. Each box contains two smaller gray boxes for digits.
