- _____ Add s meta
- _____ Add " suspe confli the st
- _____ Add C curre
- _____ Story

Help your students improve their writing skills by giving them detailed feedback without sacrificing hours of your time. Just check off the statements that apply to their essay. It's must faster than writing suggestions on their papers and more understandable than jotting down a few quick cryptic comments that the students may not fully understand.

- _____ with the picture prompt
- _____ **ORGANIZE** your story so that it has a beginning (*intro*), middle (*rising action*), and end (*climax & resolution / denouement*).
- _____ Use some advanced vocabulary words
- _____ **WRITE MORE**, increase your effort.

- _____ Make a note of the words you repeatedly misspelled and look them up in the dictionary. Learn to spell them correctly.
- _____ Choose words that are more specific, especially nouns & verbs. (*Example: Mansion or cottage instead of house*)
