

Prominent African American Poster/Report Project

Objectives:

1. The students will research and learn about a prominent African American person.
2. The students write a brief biography about a prominent African American person.
3. The students will select six objects or symbols that significantly describe their chosen African American person.
4. The students will write how these six objects or symbols relate to their chosen African American person.
5. The students will create a poster that includes their chosen African American person and the six objects or symbols that person.
6. The students will include a list of resources at the end of their report.

Vocabulary:

biography

Materials:

Sample project
List of prominent African American people for each student
Project rubric for each student
Access to the Internet or other reference material

Lesson:

1. Inform the students that they are going to research about a prominent African American person. They will create a poster about their chosen person and write a short report.
