# Spelling Activities

for SPELLING LISTS

This book equips teachers with a set of visually attractive spelling activities that are ready for immediate use.

The practical, printable and easy to use worksheets will help your students identify, correct, record, practice, test and learn how to spell commonly misspelled words.

Use one activity at a time, only a few, or all of the sheets together as part of a year long individualized spelling program.

Spelling activities systematically help students learn how to spell their misspelled often-used words, subject word lists, or words that have been misspelled through personal writing.

# PREFIXES AND SUFFIXES

List all 10 of your spelling words below. Working with them one at a time, list your words in the column on the left of the page. Place a **circle** around any prefixes in your words and a **rectangle** around any of the suffixes. Color the identified parts of the words in two different colors of choice.

Example: **pre**paring **ing** **predetermine, jumping**
