

Star of the Week

Congratulations, you are the star of the week!

To teach your classmates more about you, please create a poster board for our “Star of the Week” bulletin board that tells all about you. I will hang up your board for everyone to enjoy for the entire week. Also, on Friday please bring in ONE item for show-and-tell to share with your friends or a special treat. We are so excited to learn more about you!

Board suggestions:

- Pictures of family and friends
- Favorite color
- Pets
- Favorite sport/activity/hobby
- Favorite toy
- Favorite book or movie
- A special family vacation

Be creative and HAVE FUN!
